TO WHOM IT MAY CONCERN

Peter Jones has assisted Zisabo Trading CC on a consultative basis. He has advised me, both practically and theoretically on the following:-

How to get the best deal from our suppliers.

How to market the company more effectively.

How to expand our range of expertise.

How to approach potential customers.

Peter is full of creative ideas and enthusiasm. He has the capability to grow a business and I would recommend him in this regard.

A handwritten signature in black ink, which appears to read "Trish McEwen". The signature is fluid and cursive.

Trish McEwen
